

App. No. 10/500,781
Amendment dated June 18, 2007
Reply to Office Action mailed May 17, 2007

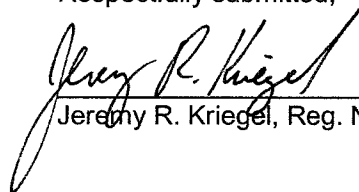

REMARKS

This Amendment is in response to the Election/Restriction Requirement mailed May 17, 2007. It is believed that no fees are necessary in connection with this Amendment (as June 17, 2007 was a Sunday). However, in the event any fees are necessary, kindly charge the cost thereof to our Deposit Account No. 13-2855.

In response to the election/restriction requirement, the Applicant hereby elects the invention of Group 1, claims 1-4, 6, 8, 11-15, 19, 2-25, 55, and 67. The Applicant further elects Species A, the embodiment wherein each printhead unit has at least three rows of nozzles that receive different color ink from a supply arrangement. It is respectfully submitted that claims 1-4, 6, 8, 11-15, 19, 2-25, and 55 are readable on the elected species. Claim 60 has also now been amended to depend from claim 55, and is therefore respectfully submitted to also be readable on the elected species. While the Applicant withdraws claims to the non-elected inventions, and to the non-elected species, it is respectfully submitted that claim 1 is generic to both species. In the event the Examiner agrees, reinstatement of claim 67 is respectfully solicited.

Date: June 18, 2007

Respectfully submitted,

Jeremy R. Kriegel, Reg. No. 39,257
